**KN95 Masks:**

- This is the most common in use to protect against the Coronavirus. Our **KN95 face masks** are CE certified, genuine, and made in accordance with industry standards. **Is there a difference between the KN95 and N95?** The **KN95 mask is an approved and suitable equivalent of the N95 face mask** according to both 3M and the CDC.
- **Packaged with the Performance Standard GB2626-2006 that is listed here:** [https://www.cdc.gov/niosh/npptl/topics/respirators/disp\\_part/n95list1.html](https://www.cdc.gov/niosh/npptl/topics/respirators/disp_part/n95list1.html)
- Color: White \$1.15
- Packaged Individually
- Minimum Order: Case of 25

### EZ PPE Individual Packs:

- My one of a kind, EZ PPE Pack! This is a sealed container that includes a 3-ply mask or KN95 mask or Child mask, a pair of gloves and 2 packs of 70% alcohol-based hand sanitizer towelette. These packs come in Adult and Child sizes and are very economical and easy to carry. This would be a convenient way for individuals to be protected at hospitals, any events, including athletic, graduation, social, travel, anywhere there are large group gatherings, etc. I have attached a flyer with more details and photos. All products come with FDA certification. We have partnered with Team Luke Hope For Minds, a non-profit foundation that supports children with brain injuries. A portion of our proceeds from every purchase is donated by my company. Call for price.
